

K-LOVE is a wonderful radio station that plays positive and encouraging music 24 hours a day. It is such a blessing to my family and me. I can listen to it with my 2-year-old and not have to worry about censoring anything. It would be very sad if it were displaced by an LPFM broadcaster. I believe that people need to hear positive and encouraging music with no commercials and feel that the service K-LOVE provides is in the public interest and should not be taken away. Please do not take away this wonderful radio station!!
